**LIMITAZIONE DI RESPONSABILITÀ**

Cashmatic non autorizza la configurazione ibrida con Visualpay27, 32 e DoubleSide su stand con ruote per motivi di sicurezza (ribaltamento).
Tale configurazione, anche se tecnicamente fattibile, non è conforme agli standard di sicurezza per cui Cashmatic non approva e non si assume la responsabilità per tale combinazione.
Le uniche combinazioni ibride permesse con questo stand con ruote includono esclusivamente VP17/22 Desk.

**LIMITATION OF LIABILITY**

For safety reasons (risk of tipping over), Cashmatic does not authorize hybrid configurations involving Visualpay27, 32, or DoubleSide units mounted on stands equipped with wheels.
Although such a configuration may be technically feasible, it does not comply with safety standards; therefore, Cashmatic does not approve it and assumes no liability for such a combination.
The only hybrid configurations permitted for use with this wheeled stand are those involving the VP17/22 Desk model.
